Passionate of Rock, Blues, Jazz and classical music since my not-so-quiet teenage years, I have been listening to music every single day for almost 50 years now. I did not fall into that musical pot just by pure chance : Muddy Waters, BB King, Jimi Hendrix guitars... Miles Davis, Chet Baker, Dizzy Gillespie trumpets... Iggy Pop, Ella Fitzgerald voices... John Bonham, Art Blakey, Billy Cobham drums... Charlie Parker, Stan Getz, John Coltrane saxophones... Stéphane Grappelli, Yehudi Menuhin violins... Serge Gainsbourg, Jacques Brel, Bob Dylan songs... I instantly succumbed to all of them. They opened my ears and showed me the way. In this boiling pot where one could smell the Missisipi barbecues, the Detroit loud decibels, or the sexy Chicago Los Angeles and Huston Soul music, I went to feed my soul like a desert survivor who eventually found his oasis.

Lost in an austere world, where egoism, obscurantism and violence rule like masters, many of us chose music as ultimate elixir, food for the soul and body. We meet at concerts, record shops, we chat on the web...

Made of funk, swing, soul, adagio or allegro, music is now part of humanity inheritance. She's about to get into this 21<sup>st</sup> century full of pride and joy. With much serenity too. No wonder why we sent as a peaceful message the good old "Johnny B Good" on a space ship around the universe.

I often try to understand the reasons why I am doing what I am doing : working with cameras, lights, mixing boards... I feel linked to the direction just like a baby is linked by an umbilical cord. The process is "almost" as important as the final result. It's been almost 25 years since I am paying homage to music. Not to mention times where filming a concert was more a priesthood than a way to earn a living, I will take as a starting point the TV show Megamix produced by Martin Meissonnier.

Between 1991 and 1994, I directed over 60 concerts for this TV show : Transmusicales de Rennes (1992-1993), Nyon Paléo Festival, Switzerland (1992-1993-1995), Iggy Pop, Red Hot Chili Peppers, Lenny Kravitz, Noir Désir, Sonic Youth, Rita Mitsouko, Björk, Jamiroquai, Ben Harper...

Between 1989 and 1991, the Jazz à Vienne festival with Miles Davis, Dizzy Gillespie, Cab Calloway, Stan Getz, George Clinton, Chick Corea, Sonny Rollins, Michel Petrucciani, Herbie Hancock, Pat Metheny...

Between 1993 and 2006, the nights at the New Morning in Paris and Geneva with Archie Shepp, Lou Donaldson, Luther Allison, The Byrds, Richie Havens, Ray Brown, Roy Hargrove, Art Farmer, Larry Carlton, Erik Truffaz, Steve Lukather, Robbin Ford, Ray Baretto...

In 1994, 2003 et 2005, the Jazz à Juan les Pins Festival with Dee Dee Bridgewater, Lalo Schiffrin, Hank Jones, Benny Carter, Ike Turner, Herbie Hancock...

In 1995, 1998, 1999 et 2000, the Nice Jazz Festival with Lucky Peterson, Phil Collins Big Band, Michel Petrucciani, Lionel Hampton, Bootsy Collins, James Brown, Cesaria Evora, Al Jarreau, James Taylor, Wilson Pickett, Emir Kusturica, Mc Coy Tyner, Youssou'n Dour, Maceo Parker, The Cranberries, The Blues Brothers, Didier Lockwood...

In 2000 and 2002, the MCM Café in Paris with Placebo, Rachid Taha, Heather Nova, Cheb Mami, Faudel, Gérald de Palmas, Coldplay, Axel Bauer, FFF, Sergent Garcia...

And also the Francofolies (1997), la Route du Rock (1997), Guitare en Scène (2014), Fiest'à Sète (2014), the Garance Reggae Festival (2013-2014), la Chaise-Dieu Festival (1994), the Louvre Carrousel (1995), the Colmar classical music festival (1998), the Esprit Jazz (2004) and Paris Jazz Festival (2004)...

I have also directed DVDs for Francis Cabrel, Sylvie Joly, Michel Leeb, Compay Segundo, Steve Lukather, Biréli Lagrène, Dee Dee Bridgewater Billy Cobham... and over a 100 documentaries on different artists such as Noir Désir, Iggy Pop, Texas, Toto, Yehudi Menuhin, Björk, Marcus Miller, Ike Turner...

Since their beginnings in 1993 Frederic Pignon & Magali Delgado have sought to explore new artistic territory in horsemanship developing their originality along the way by fusing elements of dance, painting, music, and set design, to create a unique performance experience. An osmosis between the equestrian and art worlds.
